Dear Mr. Webb:

In response to a request from your office dated 15 December 1947, I am pleased to deliver to you one copy of a special CIA study on the subject of Civil Aviation of leading foreign countries. This study was prepared for the President's Aviation Advisory Commission.

It will be noted that certain sections of the study are classified "Secret" which makes it necessary to accord the entire study the security handling appropriate to that classification. Each section may be used separately in accordance with its classification.

It is believed desirable that this copy of the study be returned to the Central Intelligence Agency when it has served your purpose. It will, therefore, be appreciated if you will notify me when you have finished with it, and I will be happy to arrange for its return.

It is a pleasure to serve you, and I trust the information will prove useful to you.

Incl: Cy. #6 "Civil
